放送日:2006/7/17~7/23
                                                                  「番組案内(4時間サイクル)」
開始時刻:4:00~8:00~12:00~16:00~20:00~24:00~
楽曲タイトル
                                                                 演奏者名
ROCK/POPS NEW ALBUM
SOLDIER'S POEM
                                                                 Muse
INVINCIBLE
                                                                 Muse
EXO-POLITICS
                                                                 Muse
CITY OF DELUSION
                                                                 Muse
H00D00
                                                                 Muse
HAMBURG SONG
                                                                 KEANE
PUT IT BEHIND YOU
                                                                 KEANE
THE IRON SEA / CRYSTAL BALL
                                                                 KEANE
TRY AGAIN
                                                                 KEANE
GREAT DAY FOR AN AIRSTRIKE / EVACUATE!
                                                                 EVER WE FALL
  / MY DOG THE SENATOR / WELCOME TO FHLOSTON PARADISE
ROCK/POPS NEW ALBUM
CAN'T CATCH TOMORROW (GOOD SHOES WON'T SAVE YOU THIS TIME)
                                                                 Lostprophets
EVERYBODY'S SCREAMING!!!
                                                                 Lostprophets
BROKEN HEARTS, TORN UP LETTERS AND THE STORY OF A LONELY GIRL
                                                                 Lostprophets
4:AM FOREVER
                                                                 Lostprophets
FOR ALL THESE TIMES SON, FOR ALL THESE TIMES
                                                                 Lostprophets
STORE BOUGHT BONES
                                                                 THE RACONTEURS
                                                                 THE RACONTEURS
YELLOW SUN
CALL IT A DAY
                                                                 THE RACONTEURS
THE BANE RENDITION
                                                                 THE RACONTEURS
Little Bag Of Hair
                                                                 MYSTERY JETS
Diamonds In The Dark
                                                                 MYSTERY JETS
                                                                 MYSTERY JETS
Alas Agnes
                                                                 MYSTERY JETS
Making Dens
On My Feet
                                                                 MYSTERY JETS
ROCK/POPS NEW ALBUM
Fool
                                                                 DONAVON FRANKENREITER
Everytime
                                                                 DONAVON FRANKENREITER
That's Too Bad (Byron Jam)
                                                                 DONAVON FRANKENREITER
Girl Like You
                                                                 DONAVON FRANKENREITER
All Around Us
                                                                 DONAVON FRANKENREITER
                                                                 ANTHONY DAVID
Skyline
Cheatin' Man
                                                                 ANTHONY DAVID
GA Peach
                                                                 ANTHONY DAVID
                                                                 ANTHONY DAVID
Cold Turkey
                                                                 ANTHONY DAVID
Krooked Kop
A LITTLE SOMETHING
                                                                 Will Conner
STRAWBERRIES & WINE
                                                                 Will Conner feat. Beau Young
ADDICTED
                                                                 Will Conner
DAY WITH THE DOLPHINS
                                                                 Will Conner
                                                                 Will Conner
LUCKY
ROCK/POPS NEW ALBUM
Cold To Colder (遠のいてゆくあなた)
                                                                 Sasha Dobson
If Not For Dreams (夢で会えなかったら)
                                                                 Sasha Dobson
                                                                 Sasha Dobson
Follow Through
                                                                 Sasha Dobson
Spring Is Just Around The Corner (春はすぐそこ)
                                                                 Sasha Dobson
Young And Free
End Of Autumn (秋の終わりに)
                                                                 Sasha Dobson
I Never Changed My Mind (変わらぬ気持ち)
                                                                 Sasha Dobson
                                                                 Brian Littrell
I'm Alive
Over My Head
                                                                 Brian Littrell
We Lift You Up
                                                                 Brian Littrell
Grace Of My Life
                                                                 Brian Littrell
Angels And Heroes
                                                                 Brian Littrell
WHAT ARE WE WAITHING FOR?
                                                                 DUNCAN JAMES
AMAZED
                                                                 DUNCAN JAMES
TURN MY HEAD
                                                                 DUNCAN JAMES
LETTER TO GOD
                                                                 DUNCAN JAMES
BREATHING
                                                                 DUNCAN JAMES
