放送日:2002/12/9~12/15
                                                   「番組案内(4時間サイクル)」
開始時刻:4:00~8:00~12:00~16:00~20:00~24:00~
楽曲タイトル
                                                  演奏者名
ROCK/POPS NEW ALBUM-1
Still
                                                   JENNIFER LOPEZ
Loving You
                                                  JENNIFER LOPEZ
The One
                                                   JENNIFER LOPEZ
All I Have
                                                   JENNIFER LOPEZ
                                                    featuring LL Cool J
Jenny From The Block
                                                   JENNIFER LOPEZ
                                                     featuring JADAKISS & STYLES
You Belong To Me
                                                   JENNIFER LOPEZ
I've Been Thinkin'
                                                  JENNIFER LOPEZ
wishful thinking
                                                  VIVIAN GREEN
  /24 hour blue (just one of those days)
                                                  VIVIAN GREEN
superwoman
                                                  VIVIAN GREEN
no sittin' by the phone
                                                  VIVIAN GREEN
fanatic
ain't nothing but love
                                                  VIVIAN GREEN
keep on going
                                                  VIVIAN GREEN
ROCK/POPS NEW ALBUM-2
                                                  MATCHBOX TWENTY
FEEL
DISARSE
                                                  MATCHBOX TWENTY
BRIGHT LIGHTS
                                                  MATCHBOX TWENTY
UNWELL
                                                  MATCHBOX TWENTY
COLD
                                                  MATCHBOX TWENTY
                                                  MATCHBOX TWENTY
ALL I NEED
COULD I BE YOU
                                                  MATCHBOX TWENTY
YOU'RE SO REAL
                                                  MATCHBOX TWENTY
THE HELL SONG
                                                  SUM 41
OVER MY HEAD (BETTER OFF DEAD)
                                                  SUM 41
MY DIRECTION
                                                  SUM 41
                                                  SUM 41
STILL WAITING
ALL MESSED UP
                                                  SUM 41
THANKS FOR NOTHING
                                                  SUM 41
                                                   JOURNEY
INTRO: RED13 / STATE OF GRACE
I CAN BREATHE
                                                  JOURNEY
ROCK/POPS NEW ALBUM-3
BRING THE PAIN
                                                  MISSY ELLIOTT FEATURING METHOD MAN
GOSSIP FOLKS
                                                  MISSY ELLIOTT FEATURING LUDACRIS
                                                  MISSY ELLIOTT
WORK IT
BACK IN THE DAY/FUNKY FRESH DRESSED
                                                  MISSY ELLIOTT FEATURING JAY-Z
                                                     /MISSY ELLIOTT FEATURING MS. JADE
NOTHING OUT THERE FOR ME
                                                  MISSY ELLIOTT
                                                    FEATURING BEYONCE KNOWLES
PLAY THAT BEAT
                                                   MISSY ELLIOTT
CAN YOU HEAR ME
                                                  MISSY ELLIOTT FEATURING TLC
Whachulookinat
                                                  WHITNEY HOUSTON
                                                  WHITNEY HOUSTON
Tell Me No
One Of Those Days
                                                  WHITNEY HOUSTON
My Love
                                                  Whitney Houston
                                                    Feauturing Bobby Brown
On My Own
                                                   WHITNEY HOUSTON
Love That Man
                                                  WHITNEY HOUSTON
You Light Up My Life
                                                  WHITNEY HOUSTON
ROCK/POPS NEW ALBUM-4
INVISIBLE MAN
                                                  Theory Of A Deadman
NOTHING COULD COME BETWEEN US
                                                  Theory Of A Deadman
MAKE UP YOUR MIND
                                                  Theory Of A Deadman
POINT TO PROVE
                                                  Theory Of A Deadman
WHAT YOU DESERVE
                                                   Theory Of A Deadman
ABOVE THIS
                                                  Theory Of A Deadman
                                                  TORI AMOS
Amber Waves
                                                  TORI AMOS
a sorta fairytale
                                                  TORI AMOS
Crazy
Sweet Sangria
                                                   TORI AMOS
                                                   TORI AMOS
pancake
I can't see New York
                                                  TORI AMOS
Taxi Ride
                                                  TORI AMOS
Scarlet'z Walk
                                                   TORI AMOS
