American Woman
Love Or Let Me Be Lonely
                                                                The Friends Of Distinction
Turn Back The Hands Of Time
                                                                TYRONE DAVIS
                                                                THE IDES OF MARCH
Vehicle
THE LETTER
                                                                JOE COCKER
CECILIA (いとしのセシリア)
                                                                SIMON & GARFUNKEL
Love On A Two-Way Street
                                                                The Moments
EVERYTHING IS BEAUTIFUL
                                                                RAY STEVENS
MAKE ME SMILE [ぼくらに微笑みを]
UP AROUND THE BEND
                                                                Chicago
                                                                CREEDENCE CLEARWATER REVIVAL(C.C.R.)
WHICH WAY YOU GOIN' BILLY?
                                                                POPPY FAMILY
GET READY
                                                                RARE EARTH
THE LONG AND WINDING ROAD
                                                                THE BEATLES
MY BABY LOVES LOVIN'
                                                                WHITE PLAINS
                                                                ELVIS PRESLEY
the wonder of you
HITCHIN' A RIDE
                                                                Vanity Fare
BALL OF CONFUSION(THAT'S WHAT THE WORLD IS TODAY)
                                                                THE TEMPTATIONS
THE LOVE YOU SAVE (小さな経験)
                                                                JACKSON 5
1990年全米TOPヒッツコレクション
                               5~6月
U Can't Touch This
                                                                M.C. HAMMER
                                                                WILSON PHILLIPS
HOLD ON
I Wanna Be Rich
                                                                CALLOWAY
STEP BY STEP
                                                                NEW KIDS ON THE BLOCK
VOGUE
                                                                MADONNA
Ready Or Not
                                                                AFTER 7
ALRIGHT
                                                                JANET JACKSON
DO YOU REMEMBER?
                                                                PHIL COLLINS
HOW CAN WE BE LOVERS
                                                                MICHAEL BOLTON
ALL I WANNA DO IS MAKE LOVE TO YOU「愛していたい」
                                                                HEART
It Must Have Been Love
                                                                ROXETTE
Poison
                                                                BELL BIV DEVOE
Sending All My Love
