Intro / We Don't Care / Graduation Day
                                                         KANYE WEST
All Falls Down
                                                         KANYE WEST featuring SYLEENA JOHNSON
                                                         KANYE WEST featuring GLC & CONSEQUENCE
I'll Fly Away
Spaceship
                                                         KANYE WEST featuring GLC & CONSEQUENCE
Jesus Walks / Never Let Me Down
                                                         KANYE WEST / KANYE WEST featuring JAY-Z & J. IVY
                                                         KANYE WEST featuring TALIB KWELI & COMMON
Get Em High
HERE HE COMES
                                                        WILL SMITH
PARTY STARTER
                                                        WILL SMITH
SWITCH
                                                        WILL SMITH
MR. NICEGUY / MS. HOLY ROLLER
                                                        WILL SMITH
LOST & FOUND
                                                        WILL SMITH
TELL ME WHY
                                                        WILL SMITH FEAT. MARY J. BLIGE
I WISH I MADE THAT / SWAGGA
                                                        WILL SMITH
ROCK/POPS NEW ALBUM
                                                        SIMPLE PLAN
SHUT UP!
WELCOME TO MY LIFE
                                                        SIMPLE PLAN
PERFECT WORLD
                                                         SIMPLE PLAN
THANK YOU
                                                        SIMPLE PLAN
ME AGAINST THE WORLD
                                                        SIMPLE PLAN
CRAZY
                                                        SIMPLE PLAN
                                                        THE D4
SAKE BOMB [酒ボム] (JAPANESE VERSION)
OUT OF MY HEAD
                                                        THE D4
FEEL IT LIKE IT
                                                        THE D4
WHAT I WANT
                                                        THE D4
TRUST NOBODY
                                                        THE D4
                                                         THE D4
OMERTA [沈黙の掟]
                                                         USELESS ID
IT'S ALRIGHT
KISS ME. KILL ME
                                                         USELESS ID
PINK STARS AND MAGAZINES
                                                        USELESS ID
DENY IT
                                                         USELESS ID
TURN UP THE STEREO
                                                        USELESS ID
Broken Face
                                                        PIXIES
Build High
                                                        PIXIFS
Rock A My Soul
                                                        PIXIES
Down To The Well
                                                        PIXIES
Break My Body
                                                        PIXIES
ROCK/POPS NEW ALBUM
IT'S LIKE THAT
                                                        MARIAH CAREY
WE BELONG TOGETHER
                                                        MARIAH CAREY
SHAKE IT OFF
                                                        MARIAH CAREY
MINE AGAIN
                                                         MARIAH CAREY
SAY SOMETHIN'
                                                         MARIAH CAREY feat. SNOOP DOGG
STAY THE NIGHT
                                                         MARIAH CAREY
E-Pro / Que Onda Guero
                                                        BECK
Girl
                                                         BECK
Black Tambourine
                                                        BFCK
Earthquake Weather
                                                         BECK
INTRODUCING NATASHA /
                                                        NATASHA THOMAS
 LOVING YOU IS NOT EASY (UH LA LA)
LET ME SHOW YOU (THE WAY)
                                                        NATASHA THOMAS
WHY (DOES YOUR LOVE HURT SO MUCH)
                                                        NATASHA THOMAS
SUNSHINE AFTER RAIN
                                                        NATASHA THOMAS
ROCK/POPS NEW ALBUM
The Great Red Shift
                                                        MOST PRECIOUS BLOOD
                                                        MOST PRECIOUS BLOOD
Collusionist
                                                         MOST PRECIOUS BLOOD
Quiet Pattern
                                                        MOST PRECIOUS BLOOD
Growing Square Eyes
Your Picture Hung Itself / Funeral Photography
                                                        MOST PRECIOUS BLOOD
GASOL INF
                                                        Seether
69 TEA
                                                         Seether
FINE AGAIN
                                                         Seether
NEEDLES
                                                         Seether
All Hail The Dead
                                                        WALLS OF JERICHO
                                                        WALLS OF JERICHO
There's No I In Fuck You
                                                        WALLS OF JERICHO
A Little Piece Of Me
Another Anthem For The Hopeless
Revival Never Goes Out Of Style
                                                        WALLS OF JERICHO
Day And A Thousand Years
                                                        WALLS OF JERICHO
THE SCOPE
                                                        KID KILOWATT
RED CARPET
                                                        KID KILOWATT
RADIO POW FOR NOW
                                                         KID KILOWATT
PEEPING TOMBOY
