                                                      ROCK/POPS NEW ALBUM
放送日:2005/5/30~6/5
                                                      「番組案内(4時間サイクル)」
開始時刻:4:00~8:00~12:00~16:00~20:00~24:00~
楽曲タイトル
                                                     演奏者名
ROCK/POPS NEW ALBUM
                                                     NIVEA
Rain (Interlude) / Complicated
                                                     Nivea feat. Lil' Jon and Youngbloodz
0kay
Parking Lot
I Can't Mess With You
                                                     Nivea featuring TheDREAM
Breathe (Let It Go)
                                                     NIVEA
FEEL IT IN THE AIR
                                                     Beanie Sigel Feat. Melissa
GOTTA HAVE IT
                                                     BEANIE SIGEL feat. PEEDI PEEDI & TWISTA
                                                     BEANIE SIGEL feat. SNOOP DOGG
DON'T STOP
PURPLE RAIN
                                                     BEANIE SIGEL feat. BAN B
CHANGE
                                                     BEANIE SIGEL feat. RELL & MELISSA JAY
1 THING
                                                     Amerie
ALL I NEED
                                                     Amerie
TOUCH
                                                     Amerie
TALKIN' ABOUT
                                                     Amerie
ROCK/POPS NEW ALBUM
                                                      JEM
come on closer
                                                      JEM
finally woken
                                                      JEM
save me
                                                      JEM
24
                                                      JEM
INTRO / LAST LIVING SOULS / KIDS WITH GUNS
                                                     Gorillaz feat. Bootie Brown / Gorillaz
  / O GREEN WORLD / DIRTY HARRY / FEEL GOOD INC.
JERK IT OUT
                                                     CAESARS
SPIRIT
                                                     CAESARS
IT'S NOT THE FALL THAT HURTS
                                                     CAESARS
MAY THE RAIN
                                                     CAESARS
                                                     CAESARS
PAPER TIGERS
ROCK/POPS NEW ALBUM
KNUCKLE DOWN
                                                     ANI DIFRANCO
STUDYING STONES
                                                     ANI DIFRANCO
                                                     ANI DIFRANCO
MANHOLE
SUNDAY MORNING
                                                     ANI DIFRANCO
this is how a heart breaks
                                                     Rob Thomas
                                                     Rob Thomas
lonely no more
ever the same
                                                     Rob Thomas
when the heartache ends
                                                     Rob Thomas
something to be
                                                     Rob Thomas
                                                     AIMEE MANN
DEAR JOHN
KING OF THE JAILHOUSE
                                                     AIMEE MANN
GOODBYE CAROLINE
                                                     AIMEE MANN
GOING THROUGH THE MOTIONS
                                                     AIMEE MANN
I CAN'T GET MY HEAD AROUND IT
                                                     AIMEE MANN
SHE REALLY WANTS YOU
                                                     AIMEE MANN
ROCK/POPS NEW ALBUM
ANOTHER TRIBE
                                                     ROBERT PLANT and THE STRANGE SENSATION
SHINE IT ALL AROUND
                                                     ROBERT PLANT and THE STRANGE SENSATION
FREEDOM FRIES
                                                      ROBERT PLANT and THE STRANGE SENSATION
TIN PAN VALLEY
                                                     ROBERT PLANT and THE STRANGE SENSATION
ALL THE KINGS HORSES
                                                     ROBERT PLANT and THE STRANGE SENSATION
Shakin' My Cage
                                                     JOE PERRY
                                                      JOE PERRY
Hold On Me
                                                      JOE PERRY
Pray For Me
Can't Compare
                                                      JOE PERRY
Lonely
                                                      JOE PERRY
JUDAS RISING
                                                      JUDAS PRIEST
DEAL WITH THE DEVIL
                                                      JUDAS PRIEST
