開始時刻:4:00~8:00~12:00~16:00~20:00~24:00~
楽曲タイトル
                                                            演奏者名
ROCK/POPS NEW ALBUM
Free Me
                                                            FOO FIGHTERS
Resolve
                                                            FOO FIGHTERS
The Deepest Blues Are Black
                                                            FOO FIGHTERS
End Over End
                                                            FOO FIGHTERS
On The Mend
                                                            FOO FIGHTERS
Virginia Moon
                                                            FOO FIGHTERS
                                                            FOO FIGHTERS
Cold Day In The Sun
                                                            FOO FIGHTERS
Razor
White Moon
                                                            THE WHITE STRIPES
Take, Take, Take
                                                            THE WHITE STRIPES
                                                            THE WHITE STRIPES
Red Rain
I'm Lonley (But I Ain't That Lonely Yet)
                                                            THE WHITE STRIPES
Though I Hear You Calling, I Will Not Answer
                                                            THE WHITE STRIPES
ROCK/POPS NEW ALBUM
                                                            ONE SELF
PARANOID
HOLLOW HUMAN BEINGS
                                                            ONE SELF
CUPID SMILING THE SMILE
                                                            ONE SELF
                                                            ONE SELF
SUNSHINE
                                                            ONE SELF
UNFAMILIAR PLACES
                                                            ONE SELF
BE YOUR OWN [AMP FIDDLER'S P RADIO EDIT]
                                                            ONE SELF
BE YOUR OWN [VADIM'S DUB MIX]
10 DOLLAR
                                                            M.I.A.
U.R.A.Q.T
                                                            M.I.A.
GALANG / M.I.A.
                                                            M.I.A.
PULL UP THE PEOPLE [D'Explicit Remix]
                                                            M.I.A.
BUCKY DONE GUN [YES Productions Remix]
                                                            M.I.A.
ROCK/POPS NEW ALBUM
SOPHOMORE SLUMP OR COMEBACK OF THE YEAR
                                                            Fall Out Boy
GET BUSY LIVING OR GET BUSY DYING
                                                            Fall Out Boy
