                                                                         ROCK/POPS NEW ALBUM
放送日:2006/5/15~5/21
                                                                          「番組案内(4時間サイクル)」
開始時刻:4:00~8:00~12:00~16:00~20:00~24:00~
楽曲タイトル
                                                                         演奏者名
ROCK/POPS NEW ALBUM
                                                                         P!NK
Stupid Girls
Who Knew
                                                                         P!NK
Long Way To Happy
                                                                         P!NK
Nobody Knows
                                                                         P!NK
                                                                         P!NK feat. Indigo Girls
Dear Mr. President
                                                                         THE GOO GOO DOLLS
Stay With You
Let Love In
                                                                         THE GOO GOO DOLLS
                                                                         THE GOO GOO DOLLS
Feel The Silence
                                                                         THE GOO GOO DOLLS
Better Days
Without You Here
                                                                         THE GOO GOO DOLLS
Louise / Walking Away
                                                                         taylor hawkins & THE COATTAIL RIDERS
Running In Place
                                                                         taylor hawkins & THE COATTAIL RIDERS
End Of The Line
                                                                         taylor hawkins & THE COATTAIL RIDERS
You Drive Me Insane...
                                                                         taylor hawkins & THE COATTAIL RIDERS
