                                                                  Gnarls Barkley
Is It Any Wonder?
                                                                  KEANE
From Paris To Berlin [Radio Edit]
                                                                  INFERNAL
Who Knew
                                                                  PINK
All Over Again
                                                                  Ronan Keating Feat. Kate Rusby
Faster Kill Pussycat [Radio Mix]
                                                                  Paul Oakenfold feat. Brittany Murphy
Maneater (Radio Edit)
                                                                  NELLY FURTADO
Control Myself [Radio]
                                                                  LL Cool J Feat. J-Lo
                                                                  PRIMAL SCREAM
Country Girl [Edit]
                                                                  TONY CHRISTIE
(Is This The Way To) The World Cup 2006
   [Final Whistle Version-Original Radio Edit]
S.O.S. (Rescue Me) [Radio]
                                                                  Rihanna
Touch It [Clean]
                                                                  BUSTA RHYMES
Nine2Five
                                                                  Ordinary Boys vs. Lady Sovereign
Everybody's Gone To War
                                                                  NERINA PALLOT
Fill My Little World
                                                                  Feeling
Somebody's Watching Me [Hi Tack Club Mix]
                                                                  BeatFreakz
Say I [Clean]
                                                                  Christina Milian Feat. Young Jeezy
Stan's World Cup Song
                                                                  STAN BOARDMAN
Dani California
                                                                  RED HOT CHILI PEPPERS
UP ALL NIGHT
                                                                  MATT WILLIS
And It Feels Like
                                                                  LeAnn Rimes
Monster
                                                                  Automatic
Teenage Life
                                                                  Daz Sampson
Bright Idea
                                                                  0rson
                                                                  Kooks
Naive
No Promises
                                                                  Shavne Ward
First Time [Radio Edit]
                                                                  Sunblock Feat. Robin Beck
Stoned In Love [Radio Edit]
                                                                  Chicane Feat. Tom Jones
You Are Not Alone [Radio Edit]
                                                                  MICHAEL JACKSON
                                                                  Paul Simon
Father And Daughter [Album Version]
You're All I Have
                                                                  Snow Patrol
Upside Down
                                                                  JACK JOHNSON
0ne
                                                                  Mary J.Blige Feat. U2
                                                                  WILL YOUNG
Who Am I
No Tomorrow
                                                                  0rson
Love Sensation '06 (Hi Tack Burnin' Up Club Radio Edit)
                                                                  LOLEATTA HOLLOWAY
World At Your Feet
                                                                  EMBRACE
Steady, As She Goes
                                                                  Raconteurs
Trouble Sleeping
                                                                  Corinne Bailey Rae
Sin Sin Sin
                                                                  ROBBIE WILLIAMS
DANCE, DANCE
                                                                  Fall Out Boy
Pump It [Amended]
                                                                  Black Eyed Peas
Yo (Excuse Me Miss) [Main Version]
                                                                  Chris Brown
So Sick [Clean]
                                                                  Ne-Yo
Put Your Records On
                                                                  Corinne Bailey Rae
Bang Bang You're Dead
                                                                  Dirty Pretty Things
                                                                  BADDIEL, SKINNER & THE LIGHNING SEEDS
Three Lions [Original Version]
Skip To The End
                                                                  Futureheads
We Are The Champions [Ding A Ding Dong] [Radio Edit]
                                                                  Crazy Frog
                                                                  T-Pain
I'm Sprung [With Short Intro]
Stupid Girls [Clean]
                                                                  PINK
Never Went To Church
                                                                  Streets
Suzie
                                                                  Boy Kill Boy
Heartbeats
                                                                  Jose Gonzalez
MakeDamnSure
                                                                  TAKING BACK SUNDAY
                                                                  YOUNG STANLEY
SING IT FOR ENGLAND
Hard Rock Hallelujah
                                                                  LORDI
                                                                  PRINCE
Fury
SEWN
                                                                  THE FEELING
The Otherside [Radio Edit]
                                                                  Breaks Co-op
Say Somethin' (Radio)
                                                                  Mariah Carey Feat. Snoop Dogg
Temperature [Album Version]
                                                                  SEAN PAUL
The Adventure (Radio Edit)
                                                                  Angels & Airwaves
Girlshapedlovedrug (Edit)
