STAR digio 100
チャンネル: 459
放送日: 2006/8/21~8/27
                                                                 HARD ROCK/METAL
                                                                   番組案内(6時間サイクル)」
開始時刻:4:00~10:00~16:00~22:00~
楽曲タイトル
                                                                 演奏者名
STUDIO MASTERWORKS ~ CHEVELLE
 『THIS TYPE OF THINKING(COULD DO US IN)』(05年)
& DISTURBED『BELIEVE』(02年)
The Clincher
                                                                 CHEVELLE
GET SOME
                                                                 CHEVELLE
Vitamin R (Leading Us Along)
                                                                 CHEVELLE
STILL RUNNING
                                                                 CHEVELLE
BREACH BIRTH
                                                                 CHEVELLE
ANOTHER KNOW IT ALL
                                                                 CHEVELLE
BEND THE BRACKET
                                                                 CHEVELLE
PRAYER
                                                                 DISTURBED
AWAKEN
                                                                 DISTURBED
BELIEVE
                                                                 DISTURBED
REMEMBER
                                                                 DISTURBED
RISE
                                                                 DISTURBED
BREATHE
                                                                 DISTURBED
                                                                 DISTURBED
DARKNESS
WE ARE BACK! MEGADETH BEST PART-1
A Tout Le Monde
                                                                 MEGADETH
Train Of Consequences (終わりなき旅路)
                                                                 MEGADETH
                                                                 MEGADETH
Sweating Bullets
Symphony Of Destruction (狂乱のシンフォニー)
                                                                 MEGADETH
Hangar 18
                                                                 MEGADETH
Holy Wars...The Punishment Due
                                                                 MEGADETH
In My Darkest Hour
                                                                 MEGADETH
Peace Sells
                                                                 MEGADETH
SKIN O' MY TEETH
                                                                 MEGADETH
HIGH SPEED DIRT
                                                                 MEGADETH
ASHES IN YOUR MOUTH
                                                                 MEGADETH
RECKONING DAY「審判の日」
                                                                 MEGADETH
HEAVY METAL JUKEBOX 90'S
LAST GOODBYE
                                                                 ROYAL HUNT
TIME
                                                                 ROYAL HUNT

1996
ROCK IS DEAD
                                                                 MARILYN MANSON
CHAINED
                                                                 GIANT
PRISONERS IN PARADISE
                                                                 EUROPE
Partners in crime
                                                                 PRETTY MAIDS
VENGEANCE
                                                                 YNGWIE MALMSTEEN
AMAZING
                                                                 AEROSMITH
BED OF RAZORS
                                                                 CHILDREN OF BODOM
STUDIO MASTERWORKS~QUIREBOYS FA BIT OF FANCY』(90年)
                                                                 OUTREBOYS
MAN ON THE LOOSE
                                                                 QUIRFBOYS
SWEET MARY ANN
                                                                 QUIREBOYS
I DON'T LOVE YOU ANYMORE
                                                                 QUIREBOYS
HEY YOU
                                                                 QUIREBOYS
ROSES & RINGS
                                                                 QUIREBOYS
THERE SHE GOES AGAIN
                                                                 QUIREBOYS
DOES IT FEEL LIKE LOVE?
                                                                 THUNDER
EVERYBODY WANTS HER
                                                                 THUNDER
LAUGHING ON JUDGEMENT DAY
                                                                 THUNDER
EMPTY CITY
                                                                 THUNDER
LIKE A SATELLITE
                                                                 THUNDER
BABY I'LL BE GONE
SUMMER FESTIVAL 2006 PART-1 (再)
                                                                 THUNDER
Psycho Circus
                                                                 KISS
You Wanted The Best
                                                                 KISS
STRAIGHT OUT OF LINE
                                                                 GODSMACK
THE ULTRA ZONE
                                                                 STEVE VAI
Youth Gone Wild
                                                                 SKID ROW
I Remember You
                                                                 SKID ROW
GRAVITY
