                                                         ROCK/POPS NEW ALBUM
放送日:2006/11/13~11/19
                                                          「番組案内(4時間サイクル)」
開始時刻:4:00~8:00~12:00~16:00~20:00~24:00~
楽曲タイトル
                                                         演奏者名
ROCK/POPS NEW ALBUM
                                                         SUSAN CAGLE
Shakespeare / Stay / Dream / Be Here
  / Ain't It Good To Know / Manhattan Cowboy
Love of Mine
                                                         Richard Julian
Slow New York
                                                         Richard Julian
                                                         Richard Julian
If a Heart Breaks
Don't Wait Up
                                                         Richard Julian
Cold Grey Sky
                                                         Richard Julian
Cheap Guitar
                                                         Richard Julian
SHOUT OUT LOUD ~ 自分の気持ち、さけんでみよう~
                                                         Amos Lee
SYMPATHIZE
                                                         Amos Lee
FREEDOM
                                                         Amos Lee
                                                         Amos Lee
CARELESS
SKIPPING STONE
                                                         Amos Lee
ROCK/POPS NEW ALBUM
                                                         Big Strides
SHE DRINKS WHISKY
                                                         Big Strides
SING TO ME
                                                         Big Strides
DO IT AGAIN
                                                         Big Strides
LET'S GET NICE
                                                         Big Strides
ALWAYS TOGETHER
                                                         Big Strides
                                                         Big Strides
SO LONG
BREAKFAST
                                                         Big Strides
                                                         KOOP vocals by ANE BRUN
KOOP ISLAND BLUES
                                                         KOOP vocals by YUKIMI NAGANO
COME TO ME
FORCES....DARLING
                                                         KOOP vocals by EARL ZINGER
I SEE A DIFFERENT YOU
                                                         KOOP vocals by YUKIMI NAGANO
                                                         KOOP vocals by MIKAEL SUNDIN
LET'S ELOPE
                                                         CLOUDBERRY JAM
I Take You Where You Wanna Go
                                                         CLOUDBERRY JAM
So Happy
                                                         CLOUDBERRY JAM
I Sit A While Considering
                                                         CLOUDBERRY JAM
Signs From Times Of Brokenhearts
                                                         CLOUDBERRY JAM
My Ever Changing Moods
ROCK/POPS NEW ALBUM
THINK AGAINST THE GRAIN
                                                         Over It
GUNSLINGER (RUNNING OUT OF TIME)
                                                         Over It
SIREN ON THE 101
                                                         Over It
TOO MUCH INFORMATION
                                                         Over It
DISHONOR, DISORDER
                                                         Over It
YOUR SONG
                                                         Over It
                                                         NEW YORK DOLLS
WE'RE ALL IN LOVE
RUNNIN' AROUND
                                                         NEW YORK DOLLS
                                                         NEW YORK DOLLS
PLENTY OF MUSIC
                                                         NEW YORK DOLLS
DANCE LIKE A MONKEY
                                                         NEW YORK DOLLS
PUNISHING WORLD
DEVIL IN A MIDNIGHT MASS
                                                         BILLY TALENT
RED FLAG
                                                         BILLY TALENT
                                                         BILLY TALENT
THIS SUFFERING
                                                         BILLY TALENT
WORKER BEES
                                                         BILLY TALENT
PINS AND NEEDLES
ROCK/POPS NEW ALBUM
Opening / Adieu False Heart [新たなる旅立ち]

I Can't Get Over You
                                                         LINDA RONSTADT and ANN SAVOY
Marie Mouri
                                                         LINDA RONSTADT and ANN SAVOY
King of Bohemia
                                                         LINDA RONSTADT and ANN SAVOY
Burn's Supper
                                                         LINDA RONSTADT and ANN SAVOY
What's Left Of Me
                                                         Nick Lachey
I Can't Hate You Anymore
                                                         Nick Lachey
                                                         Nick Lachey
On Your Own
Outside Looking In
                                                         Nick Lachey
Shades Of Blue
                                                         Nick Lachey
Along The Wall
                                                         LEIGH NASH
Nervous In The Light Of Dawn
                                                         LEIGH NASH
My Idea Of Heaven
                                                         LEIGH NASH
Ocean Size Love
                                                         LEIGH NASH
Never Finish
                                                         LEIGH NASH
