チャンネル:456
                                                                  ROCK/POPS CLASSICS 70s
放送日:2007/6/4~6/10
                                                                  「番組案内(4時間サイクル)」
開始時刻:4:00~8:00~12:00~16:00~20:00~24:00~
ROCK/POPS CLASSICS 70s
Roundabout
                                                                  YES
I'd Love To Change The World
                                                                  TEN YEARS AFTER
THE THINGS WE DO FOR LOVE
                                                                  10CC
                                                                  PINK FLOYD
Comfortably Numb
Emotion
                                                                  Samantha Sang
Telephone Line
                                                                  ELECTRIC LIGHT ORCHESTRA (E.L.O.)
Clean Up Woman
                                                                  BETTY WRIGHT
Dance, Dance, Dance
                                                                  STEVE MILLER BAND
Back In The Saddle
                                                                  AEROSMITH
Hot Leas
                                                                  ROD STEWART
Young Blood
                                                                  Bad Company
                                                                  BRUCE SPRINGSTEEN
Thunder Road
HEAD GAMES
                                                                  FORE I GNER
ROCK/POPS CLASSICS 70s
GET IT WHILE YOU CAN
                                                                  JANIS JOPLIN
ONE HELL OF A WOMAN
                                                                  MAC DAVIS
Y.M.C.A.
                                                                  VILLAGE PEOPLE
Killing Me Softly With His Song
                                                                  ROBERTA FLACK
Half The Way
                                                                  CRYSTAL GAYLE
Bohemian Rhapsody
                                                                  QUEEN
Angry Eyes
                                                                  Loggins & Messina
SUMMER CREATION
                                                                  JOAN SHEPHERD
Brown Sugar
                                                                  THE ROLLING STONES
WELCOME TO THE MACHINE
                                                                  PINK FLOYD
Hello It's Me
                                                                  TODD RUNDGREN
Garden Party
                                                                  RICK NELSON
                                                                  JESSI COLTER
I'm Not Lisa
                                                                  JOHNNY MATHIS & DENIECE WILLIAMS

ROCK/POPS CLASSICS 70s (再)
QUESTIONS 67 AND 68
                                                                  Chicago
                                                                  THE GRASS ROOTS
Sooner Or Later
The Ocean
                                                                  LED ZEPPELIN
Boogie Fever
                                                                  THE SYLVERS
Follow You Follow Me
                                                                  GENESIS
Spill The Wine
                                                                  ERIC BURDON & WAR
I'll Be There
                                                                  JACKSON 5
Closer To The Heart
                                                                  RUSH
Do You Want To Dance
                                                                  BETTE MIDLER
I Heard It Through The Grapevine
                                                                  CREEDENCE CLEARWATER REVIVAL(C.C.R.)
Lost In A Lost World
                                                                  THE MOODY BLUES
Kashmir
                                                                  LED ZEPPELIN
ROCK/POPS CLASSICS 70s (再)
ROCK 'N' ROLL FANTASY
                                                                  Bad Company
Hand Me Down World
                                                                  Guess Who
                                                                  BREAD
Everything I Own
Over My Head [Single]
                                                                  FLEETWOOD MAC
                                                                  STEVE MILLER BAND
Swingtown
Redneck Friend
                                                                  JACKSON BROWNE
Hitchin' A Ride
                                                                  Vanity Fare
YOUR SONG
                                                                  ELTON JOHN
                                                                  CREEDENCE CLEARWATER REVIVAL(C.C.R.)
Run Through The Jungle
Rats In The Cellar
                                                                  AEROSMITH
WHEN THE WHIP COMES DOWN
                                                                  THE ROLLING STONES
                                                                  THE GRASS ROOTS
Temptation Eyes
It Don't Matter To Me
                                                                  BREAD
It's A Shame
                                                                  THE SPINNERS
