開始時間:4:00~8:00~12:00~16:00~20:00~24:00~
楽曲タイトル
                                                            演奏者名
ROCK/POPS NEW ALBUM
Relax, Take It Easy
                                                            Mika
Ring Ring
                                                             Mika
Any Other World
                                                             Mika
Billy Brown
                                                            Mika
Big Girl (You Are Beautiful)
                                                            Mika
Take It like It Is
                                                             Misha Williams
Not Too Late
                                                            Misha Williams
When I Think About You
                                                            Misha Williams
I Want To
                                                            Misha Williams
Not Pretending
                                                            Misha Williams
ANY OTHER DAY
                                                            BON JOVI
SEAT NEXT TO YOU
                                                             BON JOVI
EVERYBODY'S BROKEN
                                                             BON JOVI
TILL WE AIN'T STRANGERS ANYMORE
                                                            BON JOVI feat. LEANN RIMES
THE LAST NIGHT
                                                             BON JOVI
ROCK/POPS NEW ALBUM
I JUST GOT OVER YOU
                                                             OCEANCOLOURSCENE
GO TO SEA
                                                             OCEANCOLOURSCENE
THESE DAYS I'M TIRED
                                                             OCEANCOLOURSCENE
DON'T GET ME
                                                            OCEANCOLOURSCENE
LIES AND INDICTMENTS / SUN'S GOING DOWN
                                                            THE BISHOPS
                                                            THE BISHOPS
WILL YOU EVER COME BACK AGAIN?
                                                            THE BISHOPS
HIGHER NOW
BACK AND FORTH
                                                            THE BISHOPS
TRAVELLING OUR WAY HOME
                                                            THE BISHOPS
IN THE NIGHT
                                                            THE BISHOPS
LUNAR ONE
