AOR BASICS (305)
                                                                       演奏者名
HERE I GO AGAIN
                                                                       ORAN "JUICE" JONES
EXTRAVAGANT GESTURES (愛のとまどい)
                                                                       DIONNE WARWICK
                                                                       AIR SUPPLY
TIME FOR LOVE
SHOO-BEE-DOO
                                                                       MADONNA
NOTHIN'S GONNA STOP US NOW「ふたりの絆」
                                                                       Chicago
Rising Desire
                                                                       STEPHANIE MILLS
EXILEŠ
                                                                       DAN FOGELBERG
A COUNTRY MILE
                                                                       EVERYTHING BUT THE GIRL
AS THE WORLD FALLS DOWN [世界が崩れる時]
                                                                       DAVID BOWIE
FUNNY HOW TIME FLIES (WHEN YOU'RE HAVING FUN) [ファニーなひととき] JANET JACKSON
IN MY OWN CRAZY WAY
                                                                       ROD STEWART
LOVE'S CALLING
                                                                       THE WHISPERS
THE WEEKEND
                                                                       STEVE WARINER
AOR BASICS (306)
SO IN LOVE
                                                                       CURTIS MAYFIELD
THE LOVE I NEVER HAD
                                                                       Tavares
As Long As He Will Stay
IT'S A LONG WAY THERE
                                                                       MORGANA KING
                                                                       LITTLE RIVER BAND
                                                                       BLUE MAGIC
GRATEFUL
AND IN THE MORNING ( 朝もやに包まれて )
                                                                       OLIVIA NEWTON-JOHN
                                                                       SEVERIN BROWNE
STAY
Everything Must Change (Edit) THE WAY IT WAS
                                                                       GEORGE BENSON
                                                                       BEE GEES
MAJESTY OF LIFE
                                                                       Phoebe Snow
Gloria
ONE MORE TIME
                                                                       ENCHANTMENT
                                                                       CARPENTERS
CHRISTIAAN NO
                                                                       .IIMMY WERR
                                                                       LIVINGSTON TAYLOR
LIVING WITHOUT YOU
AC HITS 1990 PART 4
BETTER NOT TELL HER
CHILDREN OF THE NIGHT
THE SHOOP SHOOP SONG (IT'S IN HIS KISS)
AND SO IT GOES「そして今は・・・」
                                                                       Carly Simon
                                                                       RICHARD MARX
                                                                       CHER
                                                                       BILLY JOEL
CRUISING FOR BRUISING
                                                                       BASIA
NEW YORK MINUTE
                                                                       DON HENLEY
All Around The World
                                                                       LISA STANSFIELD
HOW CAN WE BE LOVERS
                                                                       MICHAEL BOLTON
STARTING OVER AGAIN
                                                                       NATALIE COLE
CLUB AT THE END OF THE STREET「恋人たちの酒場」
                                                                       ELTON JOHN
STRANDED
                                                                       HEART
SOMETHING HAPPENED ON THE WAY TO HEAVEN
                                                                       PHIL COLLINS
ADIOS
                                                                       LINDA RONSTADT
AOR BASICS (295) (再)
I CAN'T SAY NO
                                                                       NATALIE COLE
SCHOOL BOY CRUSH
                                                                       AVERAGE WHITE BAND
THIS IS YOUR LIFE
                                                                       THE COMMODORES
GOODBYE AGAIN
                                                                       OLIVIA NEWTON-JOHN
HURT
                                                                       MANHATTANS
You Are The Woman
                                                                       Firefall
Children of the Junks
                                                                       LAURA NYRO
ONLY YOU BABE
                                                                       CURTIS MAYFIELD
TEACH ME (IT'S SOMETHING ABOUT LOVE)
CAN'T SMILE WITHOUT YOU (微笑の泉)
                                                                       BLUE MAGIC
                                                                       CARPENTERS
                                                                       NORMAN CONNORS
You Are My Starship
To Love Somebody
Hungry For Love
IF YOU DON'T BELIEVE
                                                                       ROD STEWART
                                                                       BILLY OCEAN
                                                                       DENIECE WILLIAMS
AOR BASICS (296) (再)
IT'S YOU
                                                                       DIONNE WARWICK & STEVIE WONDER
WHEN THE TIME IS RIGHT (美しきこの時)
                                                                       AIR SUPPLY
UGLY LITTLE DREAMS
                                                                       EVERYTHING BUT THE GIRL
SOLDIER'S THINGS/哀しみのソルジャー
                                                                       PAUL YOUNG
MOVE CLOSER
                                                                       PHYLLIS NELSON
BAD WOMAN
                                                                       KOOL & THE GANG
I WANT YOU SO BAD
FOOLISH THING TO DO
                                                                       GLORIA ESTEFAN & MIAMI SOUND MACHINE
                                                                       HEAVEN 17
THE LOOK OF LOVE
                                                                       MADONNA
Someone Like You ~映画 「ブリジット・ジョーンズの日記 2」 より~
                                                                       VAN MORRISON
CHINA IN YOUR HAND
IN THE MOOD
                                                                       The Whispers
Knocking At Your Door
AC HITS 1985 PART 4 (再)
POSSESSION OBSESSION
                                                                       Glenn Medeiros
                                                                       DARYL HALL & JOHN OATES
I JUST WANNA HANG AROUND YOU
                                                                       GEORGE BENSON
find a way
THE POWER OF LOVE
                                                                       AMY GRANT
                                                                       HUEY LEWIS & THE NEWS
MORNING DESIRE
                                                                       KENNY ROGERS
MISSING YOU (追憶の涙)
                                                                       DIANA ROSS
ONE LONELY NIGHT
                                                                       REO SPEEDWAGON
LOST IN THE FIFTIES TONIGHT (IN THE STILL OF THE NIGHT)
                                                                       Ronnie Milsap
YOUR LOVE IS KING
                                                                       SADE
HEAD OVER HEELS
                                                                       TEARS FOR FEARS
EVERYTHING SHE WANTS (恋のかけひき)
YOU GIVE GOOD LOVE「そよ風の贈りもの」
                                                                       WHAM!
                                                                       WHITNEY HOUSTON
LOVE LIGHT IN FLIGHT
                                                                       STEVIE WONDER
