                                                                                                                      演奏者名
AOR BASICS (311)
There's A Lot To Be Said
                                                                                                                      SEVERIN BROWNE
LOVE BY THE NUMBERS
                                                                                                                      Cecilio & Kapono
                                                                                                                      CAPTAIN & TENNILLE
YOU'VE NEVER DONE IT LIKE THAT BEFORE [こんなのってはじめて]
You & I
                                                                                                                      CHRIS RAINBOW
THEN SHE WALKED AWAY
                                                                                                                      BOZ SCAGGS
MY SONG(TOO FAR GONE)
                                                                                                                      CHFR
                                                                                                                      NED DOHENY
THINKING WITH MY HEART
                                                                                                                      HEATWAVE
Always And Forever
FOUR'S A TRAFFIC JAM
I JUST WANT TO BE THE ONE IN YOUR LIFE/愛する人はひとり
                                                                                                                      PEACHES & HERB
                                                                                                                      BARRY MANILOW
HAPPY ANNIVERSARY
                                                                                                                      LITTLE RIVER BAND
YOUR LONELY HEART
                                                                                                                      NATALIE COLE
HAVE I BEEN AWAY TOO LONG (愛は彼方に)
                                                                                                                      DARYL HALL & JOHN OATES
AM I LOSING YOU
                                                                                                                      MANHATTANS
AOR BASICS (312)
HERE TODAY AND GONE TOMORROW「トゥデイ・アンド・トゥモロウ」
                                                                                                                      EARTH, WIND & FIRE
COMMENT T'AIMER
                              ~ どう愛せばいいの~
                                                                                                                      Celine Dion
THE GAME OF LOVE
                                                                                                                      PAUL BRADY
I KNOW HIM SO WELL
                                                                                                                      WHITNEY HOUSTON duet with CISSY HOUSTON
IT'S LOVE
                                                                                                                      LIVINGSTON TAYLOR
IF?
                                                                                                                      MICHEL'LE & MICHAEL HOLMES
Keep Each Other Warm
                                                                                                                      BARRY MANILOW
(IT'S GONNA TAKE)ALL OUR LOVE
                                                                                                                      REGINA BELLE
ÀLL MY LOVE
                                                                                                                      PEABO BRYSON
GET TOGETHER
                                                                                                                       INDIGO GIRLS
LOVE LITE
                                                                                                                      BOBBY CALDWELL
warm and tender
                                                                                                                      OLIVIA NEWTON-JOHN
ALL OF MY LIFE
                                                                                                                      PHIL COLLINS
AC HITS 1993 PART 4
IN THE STILL OF THE NIGHT (I'LL REMEMBER)
                                                                                                                      Boyz Men
Chris Isaak
CAN'T DO A THING (TO STOP ME)
Not in the control of the control 
                                                                                                                      MEAT LOAF
                                                                                                                      Toni Braxton
HEAL THE WORLD
                                                                                                                      MICHAEL JACKSON
HOPE OF DELIVERANCE「明日への誓い」
                                                                                                                      PAUL McCARTNEY
A Song For You
                                                                                                                      RAY CHARLES
love can move mountains
                                                                                                                      Celine Dion
CHAINS AROUND MY HEART
                                                                                                                      RICHARD MARX
Reach Out, I'll Be There
                                                                                                                      MICHAEL BOLTON
When She Cries
                                                                                                                      Restless Heart
RUN TO YOU - 映画「ボディガード」より
                                                                                                                      WHITNEY HOUSTON
can't help falling in love / 好きにならずにいられない
AOR BASICS (301) (再)
                                                                                                                      UB40
DANCIN' WITH TEARS IN MY EYES (涙のダンシング)
I WANNA MARRY YOU
                                                                                                                      CAROLE KING
                                                                                                                      BRUCE SPRINGSTEEN
                                                                                                                      EARTH, WIND & FIRE
You Went Away (悲しみを越える道)
STAY WITH ME
                                                                                                                      BETTE MIDLER
(SARTORIAL ELOQUENCE) DON'T YA WANNA PLAY THIS GAME NO MORE?
                                                                                                                      ELTON JOHN
THE ISLAND (白い波)
FADING LADY LIGHT
                                                                                                                      PATTI AUSTIN
                                                                                                                       JEFFERSON STARSHIP
STAYING WITH IT
                                                                                                                      Firefall
IF THIS WAS THE LAST SONG
                                                                                                                      THELMA HOUSTON
THIS MUST BE LOVE (愛の証)
                                                                                                                      PHIL COLLINS
CRYIN' MY HEART OUT FOR YOU
                                                                                                                      DIANA ROSS
THERE'S A RIVER
                                                                                                                      STEVE WINWOOD
YOU ARE
                                                                                                                      GRANDMASTER FLASH & THE FURIOUS FIVE
NOTHIN' BUT A FOOL
AOR BASICS (302) (再)
                                                                                                                      NATALIE COLE
ONLY YOU
                                                                                                                      JODY WATLEY
HURT
                                                                                                                      PEABO BRYSON duet with REGINA BELLE
SOMETHING IN MY HEART
                                                                                                                      MICHEL'LE
BROKE AWAY
                                                                                                                      WET WET WET
Sacred Emotion
                                                                                                                      DONNY OSMOND
Here I Go Again
TRAMP THE DIRT DOWN
                                                                                                                      LISA LISA & CULT JAM
                                                                                                                      ELVIS COSTELLO
WHERE IS LOVE
                                                                                                                      BOBBY CALDWELL
Someday Is Tonight
HEAVENLY FATHER
                                                                                                                      JANET JACKSON
                                                                                                                      CHUCKII BOOKER
YOU'RE SO COLD
                                                                                                                      MARIAH CAREY
GIVEN A CHANCE
AC HITS 1988 PART 4 (再)
DON'T YOU KNOW WHAT THE NIGHT CAN DO?
ONE STEP UP
                                                                                                                      BABYFACE
                                                                                                                      STEVE WINWOOD
                                                                                                                      BRUCE SPRINGSTEEN
FATHER FIGURE
                                                                                                                      GEORGE MICHAEL
Paradise
                                                                                                                      SADE
NEVER DIE YOUNG
                                                                                                                      JAMES TAYLOR
HOLD ON TO THE NIGHTS
                                                                                                                      RICHARD MARX
FOREVER YOUNG
                                                                                                                      ROD STEWART
NEW DAY FOR YOU
                                                                                                                      BASIA
I Remember Holding You
                                                                                                                      BOYS CLUB
KOKOMO
                                                                                                                      THE BEACH BOYS
I DON'T WANNA LIVE WITHOUT YOUR LOVE
                                                                                                                      Chicago
