                                                                                                                             B.B. KING
NEVER MY LOVE
                                                                                                                              BOOKER T. & THE MG'S
WHY DO FOOLS FALL IN LOVE
                                                                                                                              The Teenagers feat. Frankie Lymon
RULER OF MY HEART
                                                                                                                              IRMA THOMÁS
HEY POCKY A-WAY
                                                                                                                             THE METERS
CLASSIC SOUL (再)
LET THE FOUR WINDS BLOW
                                                                                                                              ROY BROWN
LET THE GOOD TIMES ROLL
                                                                                                                              BOBBY "BLUE" BLAND & B.B. KING
YOU DON'T KNOW LIKE I KNOW
                                                                                                                              SAM & DAVE
                                                                                                                              Don Covay
BIP BOP BIP
Doin' Our Thing
                                                                                                                              CLARENCE CARTER
THE ONION SONG
                                                                                                                              MARVIN GAYE & TAMMI TERRELL
SHAKE RATTLE AND ROLL
                                                                                                                              SAM COOKE
JOY (TAKES OVER ME)
                                                                                                                              STEVIE WONDER
                                                                                                                              WILLY & RUTH
Where Did Our Love Go
                                                                                                                              DONNIE ELBERT
HEAVEN MUST HAVE SENT YOU
                                                                                                                              The Elgins
TRYING TO MAKE A FOOL OF ME
                                                                                                                              THE DELFONICS
THE TRACKS OF MY TEARS
                                                                                                                              GLADYS KNIGHT & THE PIPS
                                                                                                                             BARBARA LEWIS
HELLO STRANGER
REFLECTIONS
                                                                                                                              FOUR TOPS
                                                                                                                              THE IMPRESSIONS
IT'S ALL RIGHT
Respect Yourself
YOU'RE NO GOOD
                                                                                                                              THE STAPLE SINGERS
                                                                                                                             BETTY EVERETT
                                                                                                                             Chris Clark
DO RIGHT BABY-DO RIGHT
                                                                                                                             SYL JOHNSON
