チャンネル: 465
放送日: 2008/5/19~5/25
                                                                      R & R
                                                                       「番組案内(6時間サイクル)」
開始時間:4:00~10:00~16:00~22:00~
楽曲タイトル
男性ヴォーカル・グループ特集
                                                                      演奏者名
FOREVER MY LADY
                                                                      JODEC I
IT'S OVER NOW
                                                                      112
WE GOT IT
                                                                      Immature
Do Thangz
                                                                      MEN OF VIZION
DON'T BE AFRAID
                                                                      01 Skool
LOOK IN THE WATER
                                                                      BLACKstreet
Love Me Just For Me
                                                                      SPECIAL GENERATION
Whispers In The Dark
IF YOU WANT IT
                                                                      PROFYLE
                                                                      SOUL FOR REAL
Knockin' Da Boots
                                                                      H-Town
STOP, DROP & ROLL
                                                                      Next
ALL I NEED (IS A CHANCE)
                                                                      TAKE 6
SINCE YOU'VE BEEN GONE
特集:ナラダ・マイケル・ウォルデン・ワークス
HOW WILL I KNOW「恋は手さぐり」
                                                                      DAY 26
                                                                      WHITNEY HOUSTON
SOMETHING ABOUT YOU
                                                                      ANGELA BOFILL
HAPPY FEELING
                                                                      SISTER SLEDGE
PERFECT COMBINATION
                                                                      STACY LATTISAW with JOHNNY GILL
FREEWAY OF LOVE
                                                                      ARETHA FRANKLIN
KISSES IN THE MOONLIGHT
                                                                      GEORGE BENSON
EMOTIONALLY YOURS (R & B VERSION)
                                                                      THE O'JAYS
ATTACK OF THE NAME GAME
                                                                      STACY LATTISAW
THE AWAKENING
WHO'S ZOOMIN' WHO
                                                                      NARADA MICHAEL WALDEN
                                                                      ARETHA FRANKLIN
STARSTRUCK
                                                                      PATTI AUSTIN
I SHOULDA LOVED YA
                                                                      NARADA MICHAEL WALDEN
