                                                                 ROCK/POPS NEW ALBUM
                                                                  「番組案内(4時間サイクル)」
放送日:2009/11/9~11/15
開始時間:4:00~8:00~12:00~16:00~20:00~24:00~
楽曲タイトル
                                                                 演奏者名
ROCK/POPS NEW ALBUM
GONNA SEE MY FRIEND
                                                                 PEARL JAM
GOT SOME
                                                                 PEARL JAM
THE FIXER
                                                                 PEARL JAM
JOHNNY GUITAR
                                                                 PEARL JAM
JUST BREATHE
                                                                 PEARL JAM
CHUTZPAH JNR
                                                                 THE WILDHEARTS
THE JACKSON WHITES
                                                                 THE WILDHEARTS
BLASTIC JEBUS
                                                                 THE WILDHEARTS
THE ONLY ONE
                                                                 THE WILDHEARTS
Ambassadors of All That is Good / 40 Rods to the Hog's Head /
                                                                 tela melos
  Guy vs. DC Sniper / A Spoonful of Slurry /
  The Werewolf and Ben / (Is Good For What Ails You)
On My Way
                                                                 BILLY BOY ON POISON
Saturday's Child
                                                                 BILLY BOY ON POISON
Happy Valentine's Day
                                                                 BILLY BOY ON POISON
ROCK/POPS NEW ALBUM
DO THE JOY
                                                                 AIR
LOVE
                                                                 AIR
SO LIGHT IS HER FOOTFALL
                                                                 AIR
BE A BEE
                                                                 AIR
TROPICAL DISEASE
                                                                 AIR
THE RAIN / READY FOR THE WEEKEND
                                                                 CALVIN HARRIS
STARS COME OUT
                                                                 CALVIN HARRIS
YOU USED TO HOLD ME
                                                                 CALVIN HARRIS
BLUE
                                                                 CALVIN HARRIS
Let's Be Mates
                                                                 Lady Sovereign
So Human
                                                                 Lady Sovereign
Jigsaw
                                                                 Lady Sovereign
Bang Bang
                                                                 Lady Sovereign
I Got You Dancing
                                                                 Lady Sovereign
ROCK/POPS NEW ALBUM
KEY TO YOUR HEART
                                                                 ALL-4-ONE
OL' FASHION LOVIN'
                                                                 ALL-4-ONE
                                                                 ALL-4-ONE
REGRET
                                                                 ALL-4-ONE
IF YOUR HEART'S NOT IN IT
                                                                 ALL-4-ONE
GO
IF SORRY NEVER COMES
                                                                 ALL-4-ONE
EPIPHANY (I'M LEAVING)
                                                                 CHRISETTE MICHELE
NOTEBOOK
                                                                 CHRISETTE MICHELE
WHAT YOU DO
                                                                 CHRISETTE MICHELE feat. NE-YO
BLAME IT ON ME
                                                                 CHRISETTE MICHELE
ALL I EVER THINK ABOUT
                                                                 CHRISETTE MICHELE
All Night Long
                                                                 STEVIE HOANG
Girl For Me
                                                                 STEVIE HOANG
Make It To The End ~どうして君を好きになってしまったんだろう?~
                                                                 STEVIE HOANG
More Than A Friend
                                                                 STEVIE HOANG
I'll Be Fine
                                                                 STEVIE HOANG
ROCK/POPS NEW ALBUM
INTRO / GETTING DOWN IS FREE
                                                                 RAD.
                                                                 RAD.
HONEYBEES
                                                                 RAD.
UFA
HIGH LIFE
                                                                 The BDI's
WE FOUND A WAY
                                                                 The BDI's
GARDENS OF ENGLAND
                                                                 The BDI's
                                                                 The BDI's
THINKING IT OVER
IT WAS NOT SERIOUS
                                                                 The BDI's
STRAIGHT THROUGH MY HEART
                                                                 BACKSTREET BOYS
BIGGER
                                                                 BACKSTREET BOYS
BYE BYE LOVE
                                                                 BACKSTREET BOYS
ALL OF YOUR LIFE (YOU NEED LOVE)
                                                                 BACKSTREET BOYS
IF I KNEW THEN
                                                                 BACKSTREET BOYS
