楽曲タイトル
                                                             演奏者名
ROCK/POPS NEW ALBUM
AMONGST THE WAVES
                                                             PEARL JAM
UNTHOUGHT KNOWN
                                                             PEARL JAM
SUPERSONIC
                                                             PEARL JAM
SPEED OF SOUND
                                                             PEARL JAM
JOHN OF VIOLENCE
                                                             THE WILDHEARTS
                                                             THE WILDHEARTS
YOU ARE PROOF THAT NOT ALL WOMEN ARE INSANE
TIM SMITH
                                                             THE WILDHEARTS
LOW ENERGY VORTEX
                                                             THE WILDHEARTS
Party with Tina
                                                             tela melos
When Worms Learn to Fly / Melody 9 / Last Smile for Jaron
                                                             tela melos
                                                             BILLY BOY ON POISON
4 Leaf Clover
                                                             BILLY BOY ON POISON
Angry Young Man
                                                             BILLY BOY ON POISON
Drive Me Insane
Higher Power
                                                             BILLY BOY ON POISON
ROCK/POPS NEW ALBUM
HEAVEN'S LIGHT
                                                             AIR
NIGHT HUNTER
                                                             AIR
SING SANG SUNG
                                                             AIR
EAT MY BEAT
                                                             AIR
YOU CAN TELL IT TO EVERYBODY
                                                             AIR
AFRICAN VELVET
                                                             AIR
I'M NOT ALONE
                                                             CALVIN HARRIS
                                                             CALVIN HARRIS
FLASHBACK
WORST DAY
                                                             CALVIN HARRIS feat. IZZA KIZZA
RELAX
                                                             CALVIN HARRIS
LIMITS
                                                             CALVIN HARRIS
Pennies
                                                             Lady Sovereign
Guitar
                                                             Lady Sovereign
Student Union
                                                             Lady Sovereign
Food Play
                                                             Lady Sovereign
                                                             Lady Sovereign
I Got The Goods
ROCK/POPS NEW ALBUM
PERFECT
                                                             ALL-4-ONE
I LUV THAT GIRL
                                                             ALL-4-ONE
MY CHILD
                                                             ALL-4-ONE
THE DAY LIFE BEGAN
                                                             ALL-4-ONE
BLOWIN' ME UP
                                                             ALL-4-ONE
PLAYIN' OUR SONG
                                                             CHRISETTE MICHELE
ANOTHER ONE
                                                             CHRISETTE MICHELE
ON MY OWN
                                                             CHRISETTE MICHELE
FRAGILE
                                                             CHRISETTE MICHELE
MR. RIGHT
                                                             CHRISETTE MICHELE
U-Turn
                                                             STEVIE HOANG
                                                             STEVIE HOANG
No Coming Back
Ex-Player
                                                             STEVIE HOANG feat. BLAC BOI
                                                             STEVIE HOANG feat. POPGATES
Changes
She Just Ain't You
                                                             STEVIE HOANG
ROCK/POPS NEW ALBUM
IF IT'S LOVE THAT YOU'RE GIVING
                                                             RAD.
AIN'T NO FOOL
                                                             RAD.
NO ONE
                                                             RAD.
PACKED MY BAGS
                                                             RAD.
KING OVER THE OCEAN
                                                             The BDI's
                                                             The BDI's
EVERYTHING IS ROSES
JANUARY
                                                             The BDI's
YOU MUST LOVE IT
                                                             The BDI's
                                                             The BDI's
WILDERNESS
                                                             The BDI's
GIVING UP GIVING UP
THIS IS US
                                                             BACKSTREET BOYS
PDA
                                                             BACKSTREET BOYS
MASQUERADE
                                                             BACKSTREET BOYS
SHE'S A DREAM
                                                             BACKSTREET BOYS
SHATTERED
                                                             BACKSTREET BOYS
