楽曲タイトル
CLASSIC SOUL
Don't Think My Baby's Coming Back
MY LOVE GROWS STRONGER
                                                                      DEE DEE WARWICK
                                                                      KELLY BROTHERS
                                                                      NAOMI WILSON
GOTTA FIND A WAY
GRASSHOPPER
                                                                      SOUL DEVALENTS
                                                                      BOBBY JOHNSON and THE ATOMS
Tramp
                                                                      SMOKEY ROBINSON & THE MIRACLES
WHAT'S SO GOOD ABOUT GOODBYE
I PROMISE TO WAIT MY LOVE/いつまでもあなたを
                                                                      MARTHA REEVES & THE VANDELLAS
FANTASTIC VOYAGE
                                                                      LAKESIDE
YOU GOT ME HUMMIN
                                                                      SAM & DAVE
I FEEL SO BAD
                                                                      CHUCK WILLIS
That Old Time Feeling
                                                                      ROY REDMOND
STOP HER ON SIGHT (S.O.S.)
                                                                      EDWIN STARR
Just Out Of Reach
                                                                      ESTHER PHILLIPS
If You Want Me To Be More Of A Woman (You Got To Be More Of A Man) LORRAINE JOHNSON
SOULVILLE
                                                                      ARETHA FRANKLIN
LOVE IS ON TONIGHT
                                                                      JOHNNY BRISTOL
WHISPERING BELLS
                                                                      The Dell-Vikings
                                                                      CLARENCE CARTER
PATCHES
SUPERFREAK
                                                                      RICK JAMES
FOR YOUR PRECIOUS LOVE
                                                                      THE IMPRESSIONS
CLASSIC SOUL
WE GOT THE FUNK
                                                                      POSITIVE FORCE
Precious, Precious
SUDDEN STOP
                                                                      JACKIE MOORE
                                                                      PERCY SLEDGE
JIM DANDY
                                                                      LaVern Baker
WALK ON BY
                                                                      ISAAC HAYES
DOCTOR OF HEARTS
                                                                      THE CHIFFONS
                                                                      GARNET MIMMS
CRY BABY
AM I THE SAME GIRL
                                                                      BARBARA ACKLIN
EVERY LITTLE BIT HURTS
                                                                      ARETHA FRANKLIN
HOLD ON, I'M COMING
                                                                      CHUCK JACKSON & MAXINE BROWN
Love Rollercoaster
                                                                      OHIO PLAYERS
HAUNTED (BY YOUR LOVE)
I WONDER WHY
                                                                      BLUE MAGIC
                                                                      THE CHIFFONS
Love Makes The World Go Round
                                                                      DEON JACKSON
MONEY HONEY
                                                                      LITTLE RICHARD
Peaches And Cream
                                                                      Millie
That's How It Feels
                                                                      THE SOUL CLAN
IT SEEMS TO HANG ON
                                                                      ASHFORD & SIMPSON
GEORGIA ON MY MIND
CLASSIC SOUL (再)
WHAT ABOUT ME [私はどうなるの]
                                                                      RAY CHARLES
                                                                      CHIC
                                                                      WILLY & RUTH
LOVE ME
Somebody's Watching You
                                                                     LITTLE SISTER
CAN YOU JERK LIKE ME
                                                                      THE CONTOURS
I GOT A FEELING
                                                                      Barbara Randolph
THE HUNTER GETS CAPTURED BY THE GAME
                                                                      THE MARVELETTES
DANCE WIT ME
                                                                      RUFUS feat. CHAKA KHAN
All Around The World
                                                                      LITTLE WILLIE JOHN
FANCY LADY
                                                                      Billy Preston
STRANGE I KNOW
LET THE FOUR WINDS BLOW
                                                                      THE MARVELETTES
                                                                      FATS DOMINO
WE'RE GONNA MAKE IT
                                                                      LITTLE MILTON
Testify (I Wonna)
                                                                      JOHNNIE TAYLOR
I'M GONNÀ BE A WHEEL SOMEDAY
                                                                      FATS DOMINO
I FEEL A SONG (IN MY HEART)
                                                                      GLADYS KNIGHT & THE PIPS
KEEP ON RUNNING
                                                                      STEVIE WONDER
SEVENTH SON
                                                                      LEE WEBBER
I Want to Hold You
                                                                      RUFUS THOMAS
CLASSIC SOUL (再)
OH BABY
                                                                      BRIGHTER SIDE OF DARKNESS
YOU GOT WHAT IT TAKES
                                                                     JOE TEX
                                                                      ERIC MERCURY
What's Usual Seems Natur'l
                                                                      JIMMY McCRACKLIN
THE WALK
BABY I'M HOOKED (RIGHT INTO YOUR LOVE) (今夜は離さない)
                                                                      CON FUNK SHUN
GHETTO WOMAN (PARTS 1 & 2)
Give Me Just A Little More Time
                                                                      RUTH McFADDEN
                                                                      CHAIRMEN OF THE BOARD
MR. CREATOR
                                                                      THE APOLLAS
DARLING COME BACK HOME
                                                                      LOVE COMMITTEE
                                                                      JIMMY REED
Little Rain
TALKING ABOUT MY BABY
                                                                      THE IMPRESSIONS
ONE LAST MEMORY
                                                                      IMPACT
CHARLIE BROWN GOT EXPELLED
                                                                      JOE TEX & HIS X-CLASSMATES
SAID I WASN'T GONNA TELL NOBODY
                                                                      SAM & DAVE
Soda Pop
                                                                      WILLIE HARPER
I WANT TO TAKE YOU HOME (TO SEE MAMA)
                                                                      SYL JOHNSON
634-5789(SOULSVILLE, U.S.A.)
                                                                      WILSON PICKETT
