Family Reunion (誓いのファミリー)
                                                             THE O'JAYS
DO YOU REALIZE
                                                             AQUARIAN DREAM
Trying To Live My Life Without You
                                                             OTIS CLAY
DON'T SAY IT (IF YOU DON'T MEAN IT)
                                                             Dee Dee Bridgewater
Ain't That Terrible
                                                             ROY REDMOND
I Was Checkin' Out She Was Checkin' In
                                                             Don Covay
NEW LOVE
                                                             Jeffrey Osborne
HURT BY LOVE
                                                             Inez & Charlie Foxx
                                                             JOE SIMON
GEORGIA BLUE
Don't Ever Lose Your Love
                                                             BRICK
I'VE JUST BEEN FEELING BAD
                                                             EDDIE FLOYD
  クラシックソウル (再)
Second Line-Pt.1
                                                             Stop, Inc.
SAY A PRAYER FOR TWO (12" Remix)
                                                             CROWN HEIGHTS AFFAIR
                                                             THE GASLIGHT
It's Just Like Magic
I THANK YOU
                                                             SAM & DAVE
SUN IS HERE
                                                             SUN
THE END OF OUR ROAD
                                                             GLADYS KNIGHT & THE PIPS
Kiss My Love Goodbye
                                                             BETTYE SWANN
I'LL KEEP HOLDING ON
                                                             THE MARVELETTES
I'LL BE FOREVER LOVING YOU
                                                             THE EL DORADOS
                                                             GARY TAYLOR
Tease Me
GOT TO GIVE IT UP (PT. )
                                                             MARVIN GAYE
Happy
                                                             BRICK
PUSHERMAN
                                                             CURTIS MAYFIELD
IF LOVE RULED THE WORLD
                                                             Bobby Bland
You Can't Be Loving Him
                                                             THE DELFONICS
                                                             THE COMMODORES
STILL
