  BEST ALBUM CATALOG~ANGEL 『AN ANTHOLOGY』(92年)
ANGEL (Theme)
                                                                              ANGEL
                                                                              ANGEL
TOWER
ON & ON
                                                                              ANGEL
ROCK & ROLLERS
FEELIN' RIGHT
                                                                              ANGEL
                                                                              ANGFI
ANYWAY YOU WANT IT
                                                                              ANGEL
CAN YOU FEEL IT [幻想の美学]
WHITE LIGHTNING [稲妻の叫び]
                                                                              ANGEL
                                                                              ANGEL
DON'T LEAVE ME LONELY
                                                                              ANGEL
AIN'T GONNA EAT OUT MY HEART ANYMORE
                                                                              ANGEL
GOT LOVE IF YOU WANT IT
                                                                              ANGFI
FLYING WITH BROKEN WINGS (Without You)
                                                                              ANGFI
THE WINTER SONG
                                                                              ANGEL
I'LL NEVER FALL IN LOVE AGAIN (恋のアンチテーゼ)
                                                                              ANGEL
WILD AND HOT
                                                                              ANGEL
 MEGADETH 1983 - 2002
WAKE UP DEAD
                                                                              MEGADETH
PEACE SELLS
                                                                              MEGADETH
SET THE WORLD AFIRE
                                                                              MEGADETH
In My Darkest Hour
                                                                              MEGADETH
HOLY WARS...THE PUNISHMENT DUE
                                                                              MEGADETH
HANGAR 18
                                                                              MEGADETH
TORNADO OF SOULS
                                                                              MEGADETH
SYMPHONY OF DESTRUCTION [狂乱のシンフォニー]
                                                                              MEGADETH
Sweating Bullets
                                                                              MEGADETH
A TOUT LE MONDE
                                                                              MEGADETH
ALMOST HONEST
                                                                              MEGADETH
SHE-WOLF
                                                                              MEGADETH
HEAVY METAL JUKEBOX 80'S
LOVE IS FOR SUCKERS
                                                                              TWISTED SISTER
MY NUMBER
                                                                              LILLIAN AXE
GHOST OF WINTER
                                                                              LILLIAN AXE
LONG COLD WINTER
                                                                              CINDERELLA
FLIGHT OF ICARUS [イカルスの飛翔]
                                                                              IRON MAIDEN
THE TROOPER [明日なき戦い]
                                                                              IRON MAIDEN
DON'T YOU KNOW WHAT LOVE IS
                                                                              TOUCH
ON THE LINE
                                                                              TANG I ER
ETERNAL NIGHTMARE
                                                                              Vio-lence
