STARdigio
チャンネル: 460
放送日 : 2012/4/9~2012/4/15
開始時間 : 04:00~10:00~16:00~22:00~
                                                                          アダルトコンテンポラリ-
                                                                          「番組案内 (6時間サイクル)」
楽曲タイトル
AC STATION(162)
                                                                         演奏者名
SPECIAL TO ME
                                                                         BOBBY CALDWELL
Breaking In A Brand New Love I'M WAKIN' UP
                                                                         Seals & Crofts
                                                                         FARAGHER BROTHERS
IF YOU DON'T WANT MY LOVE
                                                                         J.D. Souther
Only Time
                                                                         Robert John
WHY DO FOOLS FALL IN LOVE (恋はくせもの)
                                                                         DIANA ROSS
Meet Me In The Deerpark
                                                                         MICHAEL FRANKS
THE WAY I FEEL / 君はミステリアス
                                                                         ADRIAN GURVITZ
THE HIGHER YOU RISE
                                                                         MAXUS
Time Gone By
TATTOOED LADY (刺青の女)
                                                                         CAROLE KING
                                                                         MARC JORDAN
NO TWO ALIKE
                                                                         NITEFLYTE
YOU AND ME
                                                                         ROBERT BYRNE
MAMA TAKE
                                                                         Chicago
AC HITS 2000 PART 6
NEVER LET YOU GO
                                                                         THIRD EYE BLIND
Take a Picture [Album Version]
                                                                         FILTER
Everything You Want
ONLY GOD KNOWS WHY
                                                                         Vertical Horizon
                                                                         Kid Rock
Steal My Kisses [Single Version]
I BELONG TO YOU
                                                                         BEN HARPER AND THE INNOCENT CRIMINALS
                                                                         LENNY KRAVITZ
Telling Stories[LP Version]
                                                                         TRACY CHAPMAN
BROADWAY
                                                                         THE GOO GOO DOLLS
Fa Fa (Never Be The Same Again) [Radio Edit]
                                                                         GUSTER
                                                                         MATCHBOX TWENTY
